Pakistani women seem to have no problem following trends, even if that trend seems to be something else; even the clothing. A recent piece of online fashion by a designer by the name of Marzab Al Asadi was an example of a trend that is truly a departure from norm. He wore a simple shirt to highlight the length of his shirt and he also wore jeans over a skirt.. The dress that was photographed in Marzab Al Asadi's picture has all the basic elements of a traditional Persian dress, but instead of traditional Persian garments, he wore the traditional Western style of blouses under a skirt. You can see it in the photos below!.. The dress looks good, but when you look at how Marzab looked, you cannot help but notice the fact that it comes complete with the traditional hijab in the back. There is no hijab covering the hair or undergarments, meaning that Marzab is not a hijabi (modest) Muslim lady of no religion. 44ad931eb4 [kisi kisi soal uts penjas sd kelas 1 6](#)
